Course Description

This 40-hour didactic course is geared towards the Registered Nurse. It is designed to provide a comprehensive education program in the complete assessment, evaluation and treatment of the adult sexual assault survivor.

Upon completion of the 40-hour didactic training, there is a post-training clinical requirement that must be completed according to the nurse’s scope of practice and guidelines of the training course. This course meets the educational guidelines of the International Association of Forensic Nurses.

Presenter

Linda E. Ledray, PhD, RN, FAAN, SANE-A, developed the Sexual Assault Resource Service in Minneapolis in 1977 and has been the director since its establishment. One of Dr. Ledray’s greatest accomplishments is a nursing-focused service delivery model that provides responsive treatment for sexual assault survivors. There are currently more than 120 functioning SANE programs across the country. Dr. Ledray has taught nationally and internationally on sexual assault issues and has authored the book, “Recovering From Rape.”
This training meets the requirements for the following:
